

A FOR AND AGAINST COMPOSITION

Topic: Discuss the advantages and disadvantages of living in a city

PLAN

Opening

States the general topic in an impersonal way

Some people love the country, others prefer the city. Depends on family situation, job, age, occupation, hobbies, other preferences,

The advantages and disadvantages of city life

There are people who prefer living in the country. But there are also many people who love life in a big city.

Body

Presents the advantages and disadvantages in separate paragraphs and gives examples

Ideas for country life: peace, beautiful, scenery, no pollution, cheaper houses, free outdoor activities, good for children, no stress,

Ideas for city life: more entertainment, shopping, culture, public transport, sporting activities, more choice for jobs, hospitals and

People who prefer the country say that life there is more peaceful and quiet. They **also** state that the scenery is more beautiful, and that you can breathe cleaner and less polluted air, and food is also healthier. **Besides**, if you have children, they can play around outside without being afraid. Another advantage is housing: for the same price you can get a bigger house

Those people who prefer city life say that, **on the one hand**, a city offers you a lot of possibilities for entertainment, shopping, culture and sporting activities. **On the other**, they know that city life can be very stressful but there are also more hospitals, schools and of course, you can always get public transport. **In addition**, in a city you have more job opportunities.

Closing

Adds concluding comments. May give personal opinion

*Summarize personal preference:
Country or city life*

To conclude, both the country and the city have advantages and disadvantages. **In my opinion**, life in a city is more interesting in general, and you can also lead a peaceful life if you don't live in the city centre.
